Data source: College Board Profile Reports

* A writing section was included for the first time in the March 2005 SAT administration. Scores for the new writing section are first reported for the class of 2006. No information or trend data are available for the writing section for years prior to 2006. Writing data are based on students who took the current version of the SAT Reasoning Test. Of the 2,476 students in this report, 2,405 have scores on the SAT writing section.
